Welcome to Ultimate Cheer Fusion, a program where we strive to build a positive team atmosphere and a dynamic yet structured training environment. Please read over our handbook carefully to learn more about our cheerleading programs.

Ultimate Cheer Fusion had an outstanding year last season. Our athletes learned and developed their skills very quickly and safely and proved that they are strong and committed athletes. Our program provides an opportunity for athletes of all ages and abilities to be challenged in a cooperative, positive, and safe family environment. Fusion athletes have an opportunity to develop social and emotional skills in respect, trust, leadership, commitment, punctuality, responsibility, independence, and teamwork as well as many other valuable life skills. We are excited to grow into our own family and community and look forward to meeting and working with you!

This year we will be doing team placements which will allow us to create age and level appropriate competitive teams to provide everyone the best experience in cheerleading. This provides an opportunity for new athletes to have a safe entry point into the sport, as well as experienced athletes to be challenged.

We are also offering novice teams, prep teams, premier teams and elite travel teams. We also offer a recreational program which allows for children in our community to test out the sport before committing to a competitive program. On these teams our athletes will learn the fundamental skills of cheerleading, this include: stunting, jumps, dance and tumbling; all while choreographed to counts. As interest in our club grows our programs will as well. We look forward to adding more competitive and non-competitive teams, tumbling classes, and much more to come.

Recreational classes are for athletes new to the sport of cheerleading who want to make sure it is right for them before committing to a team. If participants enjoy the classes they are encouraged to sign up for our “Club” or “Premier” teams. During these classes we help athletes develop basics of stunting, jumps and tumbling. These classes allow for individuals to learn new skills, develop tumbling abilities and find a love for the sport. Schedule will be posted on Website shortly after team placements.

There is an additional \$40 annual insurance fee. These fee covers your athletes insurance from August 1st to July 31st. With insurance they can participate in any additional tumbling camps, open gyms, or clinics.

Fundraising Opportunities

Fundraising events are made available for families to help offset costs of uniforms, gym fees and to help raise money for additional training equipment. All fundraising is split between athletes and the gym. (Exception being concessions, Co-op cards - 100% goes towards families that participate)

All fundraising will stay in athletes accounts, to help make cheerleading more affordable. You are not able to participate in any fundraising events if you have an outstanding account. If you choose to leave the gym your fundraising will not be refunded, it will get transferred to purchase new equipment.

We also accept both Kidsport and Jumpstart. Both of these programs have online applications and will direct deposit to the gym. The process is roughly 2 - 3 months, we will not credit your account until the money has been deposited into gym account. We encourage all families that are considering applying to do so, there is no harm in trying, worst they can do is say "sorry, no".

Participant Responsibilities and Policies 2018 - 2019

A. Attendance

1. All practices are considered mandatory. The safety and preparation of our teams must be respected. Cheerleading demands teamwork and dedication from team members. The coaching staff reserves the right to remove team members from a performance and possibly the team if practices are missed.
2. Excused absences for practices are death in the family, sick with a contagious illness, family vacation (1 month's written notice). Examples of unacceptable excuses for missing practice are being sick and not contagious where the athletes can still watch and not participate, transportation issues, parties, work, homework, etc. We only ask for roughly 4 hours a week to be spent in the gym. This is the perfect opportunity to help our students/athletes/children to learn time management and how to prioritize.
3. Athlete will be removed from performance of any event, if missing any practice the week before the event.
4. Athletes must come prepared for practice/competition and arrive on time. On time is dressed appropriately, hair up, and shoes on ready to hit the floor at start time, not walking through the door at scheduled start time. Athletes are required to bring a water bottle. Athletes who arrive late 2 times will be given a warning (parent and athlete), 3rd time may result in removal from all stunts. If it continues potential removal from the team.
5. Refunds will not be given for missed practices. No make up classes.
6. A full commitment to attend ALL competitions as scheduled is necessary. Failure to attend may result in removal from stunts groups, routine and possibly program.

B. Gym Rules

1. Athletes must wait for their practice to commence before accessing equipment.
2. No use of equipment is permitted unless under the supervision of their coach.
3. Only UCF coaches may spot tumbling.
4. No food, or beverages are to be consumed on the gym floor or training area and this includes chewing gum, candy and water. Tim Hortons, Slurpees, pop are not acceptable beverages for training in a competitive sport. These will not be allowed past the front desk.
5. No parent or sibling is allowed on the gym floor or training area.
6. All injuries must be reported to your coach immediately no matter how insignificant the injury seems and/or whether or not it is cheer-related.
7. Cheerleaders must wear appropriate clothing and clean indoor cheerleading shoes.
8. Hair must be tied back and away from the eyes.
9. Absolutely NO jewelry may be worn to practices.

C. Conduct Expectations

1. Challenging the authority of the coach or person in charge, by the athlete or parent may be grounds for dismissal.
2. When traveling, athletes must maintain the highest standard of behavior at all times. No smoking or use of drugs. This warrants IMMEDIATE dismissal from the program.
4. Directors and coaches have the right to excuse an athlete at any time for unacceptable behavior including (but not limited to): unsportsmanlike conduct towards teammates and other teams, smoking, bullying, drug use, breach of policies etc.
5. No member (athlete or parent) will post any negative comments directly related to Ultimate Cheer Fusion, its members, staff or coaches on any chat board, blog or any other media. Nor shall any member post negative comments regarding any other team/club. Athletes or parents shall not post routines (i.e. Youtube or Facebook) before the first competition has occurred.
6. No members shall post pictures of any member while in uniform or in practice gear that would reflect poorly upon the program, or the individual.
7. Athletes and parents may NOT use the UCF logo or name in the production of any clothing items, bags, etc.

D. Parental Obligations

1. Parents are responsible for discussing these rules and ensuring their child is following them at all times.
2. Parents need to ensure their child is in attendance and on time to all practices, competitions and events.
3. Parents will communicate with coaches if the athlete is going to be late or absent.
4. Parents will not slander our gym, coaches, athletes, or other members of the gym. If a situation is brought to our attention, we will deal with parties directly. We will continue to try and keep this a drama free facility.
5. Parents must fulfill all financial commitments. (Athletes with overdue accounts WILL be asked to sit out of practice until all accounts are settled.)

E. General

1. A \$25 surcharge will be assigned to any payment that is returned NSF. Repeat offenders will be required to pay with cash in advance.

 - There are no refunds on the Registration Fee after the first practice has taken place. If withdrawing from the program before the end of the first practice, a full registration fee refund minus a \$100 administration/insurance charge will be given. Frequently Asked Questions

Q: I have no cheer or tumbling experience. Can I still be on a competitive team?

A: Yes, our coaches will assess each athlete and place him or her on a team. As long as we do not have more athletes attend placements than we have positions for, all athletes will be placed on a team. If we have more athletes than positions, or if an athlete requires additional time to work on his or her skills, some athletes may be recommended for a non-competitive team. If competitive programs fill up we will look into opening another team in that age group.

Q: I'm not sure what team to register for. What can I do to get on a team?

A: Team placements will be held in August. If you have missed this deadline please call the gym to arrange for a private assessment. We will set up a private assessment, at this point we can let you know which team your athlete would be placed on, as well as all other information you may need to know.

Q: I am not able to come to any summer training. Can I still be on a competitive team?

A: We do not have any mandatory Summer camps this season, due to the ever changing Covid Restrictions. We are offering many different tumbling/camp options throughout the summer that is optional to help maintain physical shape and skills.

Q: Do we get a discount for registering more than one child in the sport?

A: Families who have 2 or more children in the sport receive a 25% discount on 2nd,3rd,4th children. The discount is applied to the lesser valued tuition costs.
